

PROGRAM CONSIDERATIONS WITH STATE-WIDE ELECTED OFFICIALS OR CANDIDATES

Any League considering communicating with a state-wide elected official or candidate to attend a local fundraiser, speak at a forum, or take other actions that has not been requested by LWVUS or LWVIL, is required to receive approval from the LWVIL office. Consultation is needed to ensure that:

- The state board and staff are informed about all communications to candidates or elected officials.
- There is no conflict with LWV or LWVIL communications and invitations extended to elected officials.
- The League speaks with one voice.
