Jeanette Mullen (1926 – 1998) was a member of the League of Women Voters of Illinois Board of Directors and its Legislative Chair from 1961 to 1969 and spent time in Springfield advocating League issues with legislators.

From 1969 to 1970, Jeanette represented the 32<sup>nd</sup> Senatorial District at the Illinois Constitutional Convention – she donated the desk she used during the Convention to LWVIL where it remains today. One of the issues about which she was particularly passionate was a fairer tax structure in Illinois.

Shortly after Jeannette’s death on May 21, 1998, several friends and colleagues established a fund in her memory to raise contributions to support LWVIL’s advocacy efforts, hence the Jeannette B Mullen Advocacy Fund. Solicitation of funds is ongoing.

Please consider contributing \$20 to support the Mullen Fund and thereby insure the availability of funds for the League’s advocacy work.

**Why these restaurants?**

The University Center is on a large college campus - serving the many colleges in the Chicago Loop. The closest restaurants are fast food chains and are not particularly good for groups and conversation. While there are

several very nice places nearby, some are not open on Saturday and others do not open until 5:00 pm. Our selections represent a variety of cuisines and price points and are within easy walking distance from the Issues Briefing venue. (By the way, Hackney's, one of the most popular choices last year, has closed their Printer's Row location.)
