

**LWVIL CONVENTION 2013  
100 Years of Voting in Illinois:  
Power, Influence, Change**

## **LWVIL CONVENTION ROLL CALL OF LEAGUES FORM**

The Roll Call of Leagues section of Convention invites local League leaders to introduce and share some great things about their Leagues. For the Roll Call of Leagues, a representative, usually the president, from each local League, MAL Unit and ILO is invited to the podium to share the accomplishments of your League. Please choose three things you'd like us to know about your League. These may be used for a power point presentation at convention accompanying the Roll Call.

When you come up to the podium at convention, state your name, League and speak briefly about your League's accomplishments, characteristics, or whatever you'd like us to know about. You will have 45 seconds to speak and time limits will be strictly enforced!

Please send your 3 brief ideas to the LWVIL office on this form or email to [info@lwwil.org](mailto:info@lwwil.org) by May 20, 2013.
