

What you'll need:

Avery Standard: 5371 Business Cards

Instructions:

1. Load Printer with Avery Standard: 5371 Business Cards
2. Go to the **FILE** menu and click **PRINT**
3. In the **PRINTER** menu, go to **PAGE RANGE**
4. In **PAGE RANGE** type the number **2** (so that the instruction page is not printed on your business cards)
5. Also in the **PRINTER** menu, select the number of copies you wish to print in the **COPIES** section
6. **Click OK**

Hints to maximize the cards you purchase for printing:

***Remember to try test pages on regular printer paper before printing onto the Avery Business Cards

***Remember to try at least 1 test page on the Avery Business Cards before printing multiple copies

***You will have to manually feed Business Card sheets into your printer, do not leave them unattended.
