

Spotlight on League Achievement Award Application: 2015

Throughout the year, Leagues are urged to share with each other "Bright Ideas" that have worked for them at the local level. These ideas can be big or small but all should bear the test of experience. At the 2015 State Convention we'll put the Spotlight on local Leagues to recognize achievements in some or all of the following categories:

- Citizen Education Tactics
- Voter Service/Candidate Forum Strategies
- Community Collaboration/Diversity Awareness/Outreach (program or action)
- Fundraising Project
- Visibility, Publicity, Web site or other public outreach
- Newsletter or other internal communication
- Local League Administrative Innovation
- Membership recruitment or retention
- Outreach to new members/New member mentoring
- Advocacy (referenda, etc.)
- Other? If your idea doesn't fit neatly into a category, send it anyway and we'll figure it out!

Please submit your application on the form below. If you send it by e-mail be sure to include the contact information. Include a 50-word statement describing your submission for the Spotlight on League Achievement program. You may enclose newspaper clippings or other significant materials. Applications must be in the League office by April 15, 2015.

All Leagues who submit an application will be considered for participation in the spotlight program. Please share your successes with other Illinois Leagues. The only requirement for application is that your activity has taken place since the last convention in 2013.
